

370 HTC

The distinctive 370 HTC shares the hull design and main features with the 360 FLY offering a more sporty silhouette and a large glass sunroof over the helm station. With a customizable interior, a great floor plan and competitive performance it is a highly anticipated addition to the Galeon third-generation lineup.

The cockpit area is fitted with a sofa with a drop-down backrest and a table. To extend the room for activities open the cockpit door completely and flip the saloon seat to face the aft. More adventurous passengers might opt for the bow sundecks or the innovative front seat for a thrilling ride.

Inside, a large comfortable seating area faces the well-equipped galley, with the helm station moved forward. The driver is sure to appreciate the starboard sliding door that allows for easy access to the bow when mooring. Find an incredible three cabin layout down below complete with a shower fitted bathroom. Bunk beds in the guest cabin boost the number of berths down below to six, perfect for large families. All cabins offer standing height and extra storage that comes handy during longer cruises.

Hardtop line

The hardtop version of the successful 360 FLY model offers a more dynamic silhouette while maintaining all the clever interior features of its flybridge sibling.

370 HTC

The 370 hardtop offers a sporty design and performance to match. Sleek lines, great handling and a bright interior put this model above others in its class.

The bow seat is a clever and simple solution that will please the guests on board

Put down the backrest to create a large aft sundeck area
