MOSQUITO SCREENS

- | | |
|--|---------|
| <input type="checkbox"/> Mosquito screens for all opening portlights | £619.00 |
|--|---------|

inkl. 7.7% MWST - ex Plymouth

HOLDING TANK / TOILETS

The standard holding tank (approx. 33 gallons / 150 litres) includes a remote tank contents gauge. The toilets discharge directly into the tank. The holding tank has both dockside and manual overboard discharge facilities fitted as standard.

- | | |
|--|-----------|
| <input type="checkbox"/> Electric discharge | £3,635.00 |
| In addition to the manual overboard and dockside discharge facilities an electric overboard discharge system is fitted. The electric overboard discharge system incorporates an electric valve with timer. When the pump is turned on a time delay allows the electric valve to open before the pump starts. When the pump is switched off the valve closes. This means the through hull seacock does not need to be opened/closed every time the pump is switched on. The through hull seacock is itself fitted with a micro switch which prevents operation of the pump when it is closed. The electric valve has a manual override facility | |
| <input type="checkbox"/> Run all bathroom sink / shower outlets into black water holding tank | £258.00 |
