Flybridge – Fusion SRX-400 Radio/Wi-Fi/Bluetooth with waterproof Fusion signature 7.7" speakers linked to saloon audio unit in place of Fusion ERX-400

NAVIGATION

The Princess F50 is fitted with an autopilot (with rate gyro) and Volvo/Garmin 16" multifunction displays at lower and upper helm incorporating GPS/chartplotter, echo sounder, log trip as well as engine instrumentation and autopilot controls. Fuel gauge and helm position indicator are also displayed. Please note:

1. If additional multifunction displays are not specified the single 16" screen is fitted centrally.
2. The Volvo/Garmin 16" screen looks exactly like the Garmin 16" screen, the difference being that it incorporates Volvo software to display engine and autopilot information.

When a Garmin 16" screen is fitted alongside the Volvo/Garmin screen, the physical appearance is the same, but the graphics differ slightly. Also, whilst navigational information can be transferred between the screens, engine information and autopilot control can only be shown on the Volvo/Garmin screen which is fitted as standard at both control positions.

inkl. 7.7% MWST - ex Plymouth

Garmin XHD colour radar with 24", 4Kw Radome (with display on standard 16" screen which allows separate or split displays with standard chartplotter and engine instrumentation)	£2,973.00
Second Volvo/Garmin 16" colour multifunction display fitted at lower helm position	£5,143.00
Garmin (GMI 20 colour) 4" multifunction display at lower helm (for separate display and control of individual functions e.g. log and echo sounder)	£517.00
Second Volvo/Garmin 16" colour multifunction display at the upper helm	£5,143.00
Garmin (GMI 20 colour) 4" multifunction display at upper helm	£517.00
Garmin AIS 800 Class B transponder	£862.00
NB Automatic Identification System Class B both transmits and receives ship identification, position, course and speed information also please note the AIS installation price does not include final commissioning which must be carried out locally once ship's name, call sign and MMSI number are known	
Garmin chart plotters have embedded charts which cover certain areas of the world, to ensure the correct version of plotter is fitted please indicate the area of use	
European version plotter	N.E.C.
Rest of World version plotter	N.E.C.
USA version plotter	N.E.C.
This craft is fitted with a Garmin 315 dual station VHF/DSC with intercom - to ensure correct unit is fitted, please indicate VHF/RT DSC registration	
International VHF	N.E.C.
USA VHF	N.E.C.
Hailer speaker fitted to front of flybridge (links to VHF handsets)	£97.00

inkl. 7.7% MWST - ex Plymouth

AIRCONDITIONING

Reverse cycle AIRCONDITIONING / HEATING : (56,000 Btu - tropical specification up to 40°C) £21,255.00
(Includes outlets in all cabins and bathrooms and additional 50A shore support fitting)
Recommended Generator : 11Kw

HEATING / DEMIST

Windscreen demist system using warm air heater powered from calorifier £1,879.00
Eberspacher M10 Hydronic boat heating with outlets in all cabins and bathrooms including inlet/outlet silencers and digital controls £18,282.00
Windscreen demist system using warm air heater powered from Eberspacher M10 heating £1,879.00

MOSQUITO SCREENS

Mosquito screens for all opening portholes £517.00

HOLDING TANK / TOILETS

The standard holding tank (aprox. 33 imperial gallons/150 litres) includes a remote tank contents gauge. The toilet can discharge directly into the holding tank but also has the ability to discharge directly overboard via a Y valve fitted in the discharge line. The holding tank and has both dockside and manual overboard discharge facilities fitted as standard

Electric discharge £2,994.00
In addition to the manual overboard and dockside discharge facilities an electric overboard discharge system is fitted. The electric overboard discharge system incorporates an electric valve with timer. When the pump is turned on a time delay allows the electric valve to open before the pump starts. When the pump is switched off the valve closes. This means the through hull seacock does not need to be opened/closed every time the pump is switched on. The through hull seacock is itself fitted with a micro switch which prevents operation of the pump when it is closed. The electric valve has a manual override facility

Run all sink / shower outlets into standard grey water tank and grey water outlet into holding tank £199.00

inkl. 7.7% MWST - ex Plymouth
