|--------------------------|--|-----------|

NAVIGATION

The Princess F50 is fitted with an autopilot (with rate gyro) and Volvo/Garmin 16" multifunction displays at lower and upper helm incorporating GPS/chartplotter, echo sounder, log trip as well as engine instrumentation and autopilot controls. Fuel gauge and helm position indicator are also displayed.

Please note:

inkl. 7.7% MWST - ex Plymouth

1. If additional multifunction displays are not specified the single 16" screen is fitted centrally.
2. The Volvo/Garmin 16" screen looks exactly like the Garmin 16" screen, the difference being that it incorporates Volvo software to display engine and autopilot information.

When a Garmin 16" screen is fitted alongside the Volvo/Garmin screen, the physical appearance is the same, but the graphics differ slightly. Also, whilst navigational information can be transferred between the screens, engine information and autopilot control can only be shown on the Volvo/Garmin screen which is fitted as standard at both control positions.

- | | | |
|--------------------------|--|-----------|
| <input type="checkbox"/> | Garmin XHD colour radar with 24", 4Kw Radome
<i>(with display on standard 16" screen which allows separate or split displays with standard chartplotter and engine instrumentation)</i> | £3,883.00 |
| <input type="checkbox"/> | Second Volvo/Garmin 16" colour multifunction display fitted at lower helm position | £6,699.00 |
| <input type="checkbox"/> | Garmin (GMI 20 colour) 4" multifunction display at lower helm
<i>(for separate display and control of individual functions e.g. log and echo sounder)</i> | £679.00 |
| <input type="checkbox"/> | Second Volvo/Garmin 16" colour multifunction display at the upper helm | £6,699.00 |
| <input type="checkbox"/> | Garmin (GMI 20 colour) 4" multifunction display at upper helm
<i>(for separate display and control of individual functions e.g. log and echo sounder)</i> | £679.00 |
| <input type="checkbox"/> | Garmin AIS Class B transponder interfaced with chartplotters | £1,659.00 |

NB Automatic Identification System Class B both transmits and receives ship identification, position, course and speed information also please note the AIS installation price does not include final commissioning which must be carried out locally once ship's name, call sign and MMSI number are known

inkl. 7.7% MWST - ex Plymouth

- | | | |
|--------------------------|--|------------|
| <input type="checkbox"/> | Garmin chart plotters have embedded charts which cover certain areas of the world, to ensure the correct version of plotter is fitted please indicate the area of use
Plotter:
<input type="checkbox"/> European version
<input type="checkbox"/> Rest of world

- | | | |
|--------------------------|--|---------|
| <input type="checkbox"/> | Mosquito screens for all opening portholes | £679.00 |
|--------------------------|--|---------|

inkl. 7.7% MWST - ex Plymouth

HOLDING TANK / TOILETS

The standard black water tank (approx. 150 litres / 33 imperial gallons/40 US gallons) includes a remote tank contents gauge. The toilets discharge directly into the black water tank. The black water tank has both dockside and manual overboard discharge facilities fitted as standard

As standard all sinks, showers, washing machine (when selected) and dishwasher (when selected) will discharge overboard

- Electric discharge £3,910.00
In addition to the manual overboard and dockside discharge facilities an electric overboard discharge system is fitted. The electric overboard discharge system incorporates an electric valve with timer. When the pump is turned on a time delay allows the electric valve to open before the pump starts. When the pump is switched off the valve closes. This means the through hull seacock does not need to be opened/closed every time the pump is switched on. The through hull seacock is itself fitted with a micro switch which prevents operation of the pump when it is closed. The electric valve has a manual override facility

EXTERIOR UPHOLSTERY / CANVAS / COVERS
