| <input type="checkbox"/> | Raymarine AIS Class B transponder interfaced with chartplotters  | £2,200.00 |

NB: Automatic Identification System Class B both transmits and receives ship identification, position, course and speed information also please note the AIS installation

inkl. 8.1% MWST - ex Plymouth

price does not include final commissioning which must be carried out locally once ship's name, call sign and MMSI number are known

- This craft is fitted with a Raymarine Ray 90 VHF - to ensure correct unit is fitted, please indicate VHF/RT DSC registration N.E.C.

VHF:

- International  
 USA

- Raymarine chart plotters have background cartography only, which cover certain areas of the world, to ensure the correct version of plotter is fitted please indicate the area of use N.E.C.  
Plotter:  
 European version  
 Rest of world  
 USA version

#### AIRCONDITIONING

- Reverse cycle Airconditioning/heating (24,000 BTU) suitable for temperatures to 40°C (tropical) £22,204.00  
*supplying saloon, forward & aft cabins and bathroom*  
*Recommended generator either 4 kW or 6 kW*
- Electrosea Electrostrainer fitted on air conditioning sea water inlet. £6,875.00  
*System is an all-in-one biofouling prevention and straining device that prevents marine growth on sea water pipes and reduces fouling of the air conditioning system impeller.*
- Dometic Breathe Ioniser air purification system to all A/C outlets. £638.00  
*(Note: Only available if optional air conditioning is selected)*

#### HEATING / DEMIST

- Windscreen demist system using warm air heater powered from calorifier £2,113.00
- Eberspacher D4 Airtronic boat heating £12,199.00

inkl. 8.1% MWST - ex Plymouth

*(includes special air silencer on heater air inlet and outlets in all cabins, saloon & bathroom). Eberspacher heater outlet point in cockpit area with diverter valve*

#### **MOSQUITO SCREENS**

- Mosquito screens for portlights £751.00

#### **HOLDING TANK / TOILETS**

The standard black water tank (approx. 20 gallons / 90 litres) includes a remote tank contents gauge. The toilet can discharge directly into the black water tank but also has the ability to discharge directly overboard via a Y valve fitted in the discharge line. The black water tank has both dockside and manual overboard discharge facilities fitted as standard

As standard, sinks and showers will discharge overboard

- Electric discharge £4,221.00

*In addition to the manual overboard and dockside discharge facilities an electric overboard discharge system is fitted. The electric overboard discharge system incorporates an electric valve with timer. When the pump is turned on a time delay allows the electric valve to open before the pump starts. When the pump is switched off the valve closes. This means the through hull seacock does not need to be opened/closed every time the pump is switched on. The through hull seacock is itself fitted with a micro switch which prevents operation of the pump when it is closed. The electric valve has a manual override facility*

#### **EXTERIOR UPHOLSTERY / CANVAS / COVERS**

Helm and cockpit seating is in white marine vinyl with Met Sterling contrast detail to helm seat plinth, back of helm seats, back of portside curved backrest and inlay to aft cockpit backrest cushions. Foredeck sunbed cushions, if specified, are in cockpit white marine vinyl with Met Sterling contrast in headrest. Met Sterling contrast piping to bottom of base cushions is also applied.

The above colour selection has been carefully selected to match the anthracite black helm area and Oyster Grey finish through the wetbar and superstructure styling.

Comfort Exterior III upholstery is available as an alternative at an extra cost
