EXPERIENCE THE
EXCEPTIONAL

Your yacht is an extension of yourself. A statement of your lifestyle. She needs to deliver unforgettable experiences for you, your family and friends. Every Princess yacht is designed with our forward-thinking mentality and crafted with meticulous attention to detail. So whether you're dashing across the water or moored in your favourite bay, you will recognise the difference our design and details make, inside and out.

Experience the exceptional.

CRAFTED IN PLYMOUTH

Perched on the edge of the English Channel lies the city of Plymouth, where we established our home in 1965. Today Princess shipyards cover an area of over 1.1 million square feet, an area rich in British maritime heritage. In fact, South Yard, where our X Class Super Flybridge yachts are constructed, is a former naval yard dating back to the 17th century. From the outset, our goal has been to meticulously sculpt our yachts around our owners' enjoyment of them. Such dedication and attention to detail resonates deeply with our Plymouth craftspeople.

Over 3,000 people, each possessing a mastery of their skill, fastidiously realise this vision in our shipyards. Through a culture of innovation, our yachts are not only some of the most technically-advanced in the world but also the most beautifully realised.

BEAUTY IS ALWAYS IN THE DETAIL

We are determined to develop ever more ingenious ways to ensure every last millimetre of your boat is ergonomically sound, highly practical, and spatially perfect. Once our team of naval architects, designers and engineers have determined a design, our craftspeople fastidiously bring it to life. Every beautiful detail is crafted and finished within our Plymouth shipyards. This enables us to consistently monitor quality throughout each build. Seeing is believing though, so we invite future owners to pay us a visit and see beauty in progress through their own eyes.

F CLASS

Experience the most technically advanced and spaciouly proportioned flybridge yachts on the water. Every Princess flybridge yacht rewrites the rule book on space, performance and entertaining. Wonderfully progressive, incredibly efficient, classically Princess.

F 65

The all-new F65 boasts a contemporary use of layout featuring the latest geometric design elements. Focussed around a sociable use of space she provides accommodation for eight guests across four cabins. Vast panoramic saloon windows and signature wrap around front screens offer uninterrupted vistas from the main deck whilst elongated hull windows generously flood her accommodation areas with light. The expansive main deck is segmented into an aft galley with dinette, saloon with large U-shaped sofa plus companion seating opposite the helmsman area which features a side access door to the deck.

The foredeck provides the perfect spot to enjoy outdoor relaxation with split sunpads and the ability to include an integrated cool box.

Her contemporary flybridge is the perfect outdoor entertaining area, with ergonomic dining seating, wetbar with barbecue, coolbox and sink, plus an aft sunbed and L-shaped companion seat with infill as a secondary sunbed.

F 55

Equipped with twin Volvo D13-900 engines providing speeds up to 33 knots, in addition to a deep-V resin-infused hull, the F55 delivers dynamic and effortless seakeeping. As seen on larger yachts in the range, the cockpit servery unit connects to the galley unit, seamlessly integrating the two entertainment areas. The spacious main deck saloon is accentuated by vast saloon windows, complemented by subtle accent lighting, soft fabric finishes and hand-stitched detailing. A contemporary U-shaped sofa with convertible coffee/dining table and sofa adjacent, creates the perfect place to spend time with loved ones.

Below deck, new expansive hull windows generously flood the three cabins with light, including the master stateroom with dressing table, breakfast area and en-suite bathroom, a forward double guest cabin and starboard twin cabin with the option of a double bed conversion. An optional single aft cabin with en-suite and storage is ideal for crew.

F50

Featuring the latest F Class exterior styling, and advanced technology on-board, the F50 flybridge yacht delivers dynamic performance at sea.

The F50 features a sophisticated standard of refinement with contemporary finishes and handcrafted elements throughout. The sociable cockpit leads through to the main saloon, with open galley aft and large U-shaped sofa and dining table for six guests.

Guests are accommodated on-board across three beautifully appointed cabins, two of which are en-suite. The spacious full-beam master stateroom invites relaxation, with a double bed, sofa and dressing area. The generous en-suite forward stateroom includes a large double bed with the option of scissor berths to provide flexibility for guests.

New technology is available on-board, including Gyro stabilizers and Volvo Penta Easy boating as an option to complement the F50's advanced resin-infused hull and efficient twin Volvo D8-IPS 800 (2 x 600mhp) engines which provide speeds up to 34 knots.

F 45

The exceptional F45 flybridge delivers unparalleled space, quality and flexibility for the ultimate on-water experience. Her extended flybridge includes a seating area with teak dining table and forward L-shaped seats that convert to a sunpad when required. At the touch of a button, her unique, electrically-sliding transom seating arrangement extends the length of the cockpit area to deliver unrivalled main deck space for a 45ft yacht.

Below deck, a full beam owner's cabin complemented by a forward en-suite cabin await and exceed your accommodation expectations belying her sleek proportions. Powered by Volvo IPS 600's and reaching a top speed of up to 31 knots, the F45 is a breathtakingly beautiful craft. Together with its elegant full-length hull windows, beautifully resolved surfacing, and unusual design detail, the F45 establishes itself as the pinnacle of small flybridge yachts.

SAFEGUARDING YOUR SANCTUARY

Your yacht is your haven, so the wellbeing of you and your family is of upmost importance to us. That's why we offer the option of the 'Princess Lifeline' powered by MedAire. A 24/7 SOS service providing access to medical and security assistance. One phone call connects you to MedAire's team of over 200 global security experts and 80,000 accredited medical providers who can assist you in the event of a medical or travel safety emergency. You can relax on board knowing everything is taken care of.

OUR PARTNERS

Princess is proud to partner with a few exclusive brands who share our vision and brand values, and deliver exceptional experiences to their customers.

To celebrate our 50th anniversary, **SEABOB** created a Limited Edition collection which was the start of a unique relationship with this successful marine brand. The success of our 50th anniversary limited edition SEABOB marked the start of a unique relationship with this successful marine brand. We have since collaborated on a collection of limited edition designs as the perfect complement to your Princess yacht.

As we evolve our technology offering on each and every Princess, our partnership with **NAIM** provides world class audio visual systems that continue to rewrite the audiophile rule book.

Princess was honoured to become the first luxury yacht manufacturer to officially collaborate with **The Marine Conservation Society**. It's our way to support and sustain marine ecology, securing an environment for future generations to discover and explore.

With a shared passion for sustainability and ocean conservation, we recently partnered with **Ecoworks Marine** to help tackle the challenge of creating a more environmentally friendly approach to yacht cleaning. In a first for the industry, Ecoworks Marine have developed their 'Preserve the Living Seas' range, a unique collection of cleaning products that are fully biorenewable, quickly biodegradable and sustainably formulated.

Williams Jet Tenders are our provider of choice, with every Princess yacht designed to accommodate the models in their range.

We are proud partners of the **Salcombe Distilling Company**. Inspired by the coastal vitality of Salcombe and its shipbuilding heritage, Salcombe Distilling Co. creates exceptional spirits at its waterside distillery on Island Street, Salcombe; one of the world's only distilleries directly accessible by boat. The partnership will see Princess Yachts and Salcombe Distilling Co. collaborate at events around the world.

RECOGNITIONS

Our priority is to be considered the best by our owners, but recognition by independent experts through a number of prestigious awards has given Princess and our craftspeople a tremendous sense of pride.

Updated April 30th 2021

* Displacements are calculated with 50% fuel and water with liferaft but with no optional equipment fitted or other gear.

† Maximum speeds will vary depending on cleanliness of hull, condition of sterngear, loading of craft, water and air temperatures, sea conditions and other factors. Speed estimates are therefore given in good faith but without warranty or liability on the part of Princess Yachts Limited. Craft illustrated in this brochure may be fitted with certain optional equipment. Specifications may be changed at any time without notice or liability.

‡ Certain specifications, which vary by model, are upgraded on Princess yachts built for use in North America. Thus, specifications and equipment will vary from the information listed in the brochure for North American Princess yachts (e.g. air-conditioning and an upgraded generator will be included as standard for all North American models and electric cooking facilities will be supplied in place of gas systems). Please consult the USA Specification Brochure for full details regarding the North American specifications for individual models.
