

**COBALT BOATS**
EXPERIENCE EXTRAORDINARY

R³⁵ SURF

R35 SURF

R35 Surf

Pioneering Yacht Surfing.

The Cobalt R35 Surf is the next evolution in wakesurf boating—a vessel that redefines boundaries and establishes a class all its own: Yacht Surfing. As the largest surf boat Cobalt has ever built, the R35 Surf brings together unrivaled luxury, groundbreaking performance, and cutting-edge technology to deliver an experience unlike any other on the water.

Equipped with Surf Gate™ and intuitive Garmin Surf Controls, the R35 Surf produces towering waves with monstrous lengths, effortlessly customizable to match every rider's ideal surf conditions. From seasoned pros carving perfect lines to families discovering the thrill of the wake, the R35 Surf tailors every ride to perfection.

Beyond its industry-leading surf performance, the R35 Surf embodies yacht-inspired luxury with an array of premium features. Enjoy the convenience of an auto-deploy galley for grilling, and a built-in refrigerator and freezer, ensuring effortless entertaining. Retreat to queen-sized sleeping quarters for ultimate relaxation, while the optional 12v AC System provides cabin and head climate control for a truly comfortable experience. Powered by twin Forward Drive Volvo Penta engines boasting a combined maximum 860 HP, the R35 Surf offers impressive power and responsiveness, making every journey as exhilarating as the waves themselves.

This yacht-certified marvel doesn't just push limits—it obliterates them. Combining the power and sophistication of a yacht with the adrenaline-fueled excitement of surfing, the R35 Surf pioneers a new era of water sports, offering enthusiasts a seamless blend of performance and opulence.

This is Yacht Surfing. Prepare to experience the ultimate wave.
